

# The NCSO™ Designation: Building Value in Your Organization

**Ammar Kavazovic, NCSO™**

# Introduction & History of NCSO™

- The alphabet soup of designations & lack of national reciprocity
- The **objective**?
  - Long-term industry alignment
  - Meeting changing safety needs
  - National standardization
  - **Job-ready, value-add workers**

# NCSO™ Statistics

January 2017 - Current

- Total NCSO™ Applications in System: **894**
- Total NHSA Applications in System: **245**
- Certified NCSO™ & NHSA: **87**
- Exams Written to Date: **215**
- **Alberta Stats: 14,000+** NCSO™ Designations awarded since 1992

# NCSO™: What's In It For You?

## Building Value

- Created through consultation within the employer community – **“By and For the Industry”**
- Your NCSO™: Resourceful and **full of resources**

# NCSO™: What's In It For You?

## COR™ Program Expertise

- NCSO™ & NHSAs: A valuable resource to management in the implementation of the company H&S Program
- More and more employers and contractors specifically seeking NCSOs, and training workers to the NCSO™ / NHSA standard

# NCSO™: What's In It For You?

## Cost-Effective, Real-Life Training

- No-cost training policy
- Self Paced
- National Reciprocity

# NCSO™: What's In It For You?

## The NCSO™ - Active and Current

- NCSO™ & NHSA are active designations that must be renewed every 3 years

# THANK YOU!
